

Life is Better on The Hill

iPad Winner - Melanie Heemeryck!

On February 26th, Qualico Communities held a Grand Opening Event for the release of New Premium Lots at The Hill in Westridge in Okotoks.

The event was a huge success! Many people from the community and many interested in moving to the boutique community of The Hill came out to enjoy the mild weather, a free BBQ lunch and to see the six gorgeous showhomes from Broadview Homes, NuVista Homes and Sterling Homes.

Qualico Communities offered a draw for an Apple iPad to all those in attendance. The winner of the draw was Melanie Heemeryck! Congratulations Melanie!
